**About The Founder of Magnetic Soul Healing:**

*Jesseca Banchy*, the founder of *Magnetic Soul Healing*, activated her healing powers unexpectedly in 2022 after having a spiritual awakening. In 2021, she embarked on a holistic and spiritual journey shortly after beginning aerial dance and flexibility training. She dedicated her life to her physical, mental and spiritual health with a passion that led her to a spiritual awakening.

Since childhood, Jesseca suffered from depression, anxiety, low self-esteem, self-hatred, low self-worth, laziness and escapism. She experienced physical, verbal and mental abuse at home which she found an outlet through drugs and alcohol in early adolescence. She became obsessed with this lifestyle consequently neglected her health and education. During her developing years she lacked proper direction, sleep and nutrition all because of drug and alcohol abuse, depression and self-hatred. Most of this suffering was in her mind. This dark path she chose caused her to attract more unfavorable life experiences such as multiple sexual assaults, spiraling down in depression and a failed suicide attempt (thank goodness!).

In 2009, Jesseca decided to change her life. She quit using drugs and alcohol. After her first day of sobriety, she got into a car accident that changed her life for the better. She suffered a traumatic brain injury and a spinal cord injury. As a result, she lost her ability to walk and became wheelchair bound. Through persistent effort and belief, she regained her ability to walk within 3 months. The following two years, she dedicated her life to the Catholic church, physical therapy, self-improvement and school.

In this next stage of her life, she was dedicated to being “a good girl”. She did everything possible to try to live up to society’s standards. This was another extreme lifestyle Jesseca became obsessed with. People pleasing, self-hatred, immense feelings of guilt and shame. Throughout all of this self-doubt, Jesseca obtained several degrees and began a career as a registered nurse in 2018. Jesseca relapsed on alcohol and drugs shortly afterwards, not as severe as her previous addiction (it was just a “weekend” thing). Up until having a spiritual awakening, Jesseca spent most of her life feeling horrible about herself, deep guilt and shame and always having some sort of outlet through escapism. The *Magnetic Soul Healing* way has guided her to feel joy everyday, release the feelings of shame and guilt and live a healthy sober life.

Jesseca holds a Bachelors Degree in Spanish Legal and Medical Translation/ Interpretation with a minor in Music, a Master’s of Science degree in Nursing, she is a certified Pole Dance teacher and is currently obtaining a PhD in Metaphysical Sciences.

Her native languages are English and Spanish, she speaks both of these languages with fluency. While in her undergraduate studies, she learned and can speak basic level Portuguese and knows basic level American Sign Language.

In 2023, she retired from her career as a Registered Nurse. She worked in this career for 5 years throughout the U.S. specializing in ER, Trauma & Medical ICU, Wound Care, Medical-Surgical and Cardiac units. She retired from bedside nursing to explore natural

pathways to healing, pursue a career in dance and entrepreneurship. Jesseca has a natural gift in healing and is expanding on this gift to guide others to heal and find inner peace that is naturally within all of us.

### **Magnetic Soul Healings Philosophy:**

This philosophy is based on an accumulation of knowledge and experience gathered in the founder's lifetime which includes her background in medicine, academic background in science and metaphysical sciences, the founder's personal life experiences and from several spiritual teachers Jesseca received thousands of hours of guidance from such as *Sadhguru, Eckhart Tolle, Dr. Joe Dispenza, Abraham Hicks, Michael Beckwith, Louise Hay, Jeffrey Allen, Dr. Andrew Huberman, Marcus Aurelius, The Buddha and Jesus Christ.*

We have developed a set of habits and thoughts over years and have practiced them for years, it may take time for you to heal and feel better about yourself. That is ok! Forgiving yourself when we do not live 100% up to your standards, wishes and goals. We are humans in a very demanding, stressful and unnatural world.
